

A person in a light-colored shirt and dark shorts stands on a long, narrow dam or levee that stretches into the distance. The scene is set at sunset, with a warm, golden glow across the sky and water. The water on either side of the dam is dark, reflecting the low sun. The overall mood is serene and contemplative.

the **2024**
'water in focus'
cotton calendar

In the early months of the year it's imperative to manage heat stress in cotton. Find out more here:

The 2024 'Water in Focus' cotton calendar is brought to you by the industry's extension program, CottonInfo. On behalf of CottonInfo, our thanks to all the photographers who kindly allowed us to showcase their images in this year's calendar – and congratulations to the winning image featured on the front cover, taken by Annabel Noonan from Nevertire, NSW.

myBMP Water Management modules

The myBMP water module is designed to help you make efficiency gains by bringing together the latest research and knowledge on water use and management. Topics range from managing and measuring water sources and collection through to field distribution.
