Connecting growers with research

CottonInfo is a joint program by cotton industry bodies Cotton Australia, CRDC and CSD, bringing you the latest news, information, events and research, helping you to achieve best practice.

Our team of regional extension officers, technical leads and *myBMP* experts are standing by to help you with the latest information, for this season and the next.

Talk to us today for advice on nutrition, soil health, water management, pesticide use efficiency, energy use, carbon, biosecurity, disease and insect management, natural resource management, stewardship and weed control - and more.

You can find our details overleaf, or visit us at www.cottoninfo.com.au.

Meet our team

Led by CottonInfo Program Manager Warwick Waters (0437 937 074, warwick.waters@crdc.com.au), and supported by Communications Manager Ruth Redfern (0408 476 341, ruth.redfern@crdc.com.au) the CottonInfo team of Regional Extension Officers, Technical Leads & myBMP experts are all here to help!

Regional Extension Officers

Regional Extension Officers provide cotton research outcomes and information directly to growers, agronomists, consultants and agribusinesses in each region. Contact your local Regional Extension Officer for the latest research, trials and events in your area.
